Dear South Hunterdon Parents,

As we all continue to follow the shooting in Florida, please know that the security and safety of your children are our most important priority. Though there is no known threat in Hunterdon County, the prosecutor's office has asked law enforcement to increase their presence in our schools.

We are indeed fortunate to have a close working relationship with our local forces in Lambertville and West Amwell, along with our State Police. I continue to extend our appreciation regarding their daily support.

We also rely on the partnership we have with parents. We ask that you continue to let us know if you have any concerns about any of our students. Please encourage your children to share any of their concerns with a teacher, counselor, administrator, or any other member of our staff.

Our continued thoughts and prayers are with all of those affected by the event in Parkland, Florida.

Sincerely,

Louis T. Muenker, D. Ed.
